Dear Sir/Madam,

Your refund request for 10706295 in the amount of \$980.00 has been denied .

After thorough inspection of U.S. Patent and Trademark Office physical records and Revenue Accounting Management financial records, it is determined that you are not entitled to the \$980.00
DENIED .

This is in response to your request for refund letter submitted on December 15, 2009, Wherein you requested a refund of \$980.00 for payment of fees for two month extension of time. Applicant is advised to note the following: Applicant received a final rejection on February 27, 2009, applicant filed an amendment after final on April 16, 2009. The amendment after final did not place the application in condition for allowance per the results fo the interview summary mailed to applicant on April 17, 2009, to prevent abandonment of the application a notice of appeal and one month extension of time was filed on August 27, 2009 which is six months from the date the final rejection, therefore applicant was required to pay for a three month extension, instead of a one month extension.

Sincerely,

/MERILYN WATTS/
